

JOB ANNOUNCEMENT

Learning and Engagement Specialist- Butterfly Pavilion

South Coast Botanic Garden has thrived in the past couple of years as a destination for visitors to rediscover the rejuvenating powers of nature. Determined to provide access to nature to the widest possible audience, the Garden has expanded its services and hosted more visitors than ever before through the launch of the GLOW nighttime light experience and the SOAR butterfly pavilion. With the unveiling of the stunning Bohannon Rose Garden, a show-stopping 400-square foot Living Wall, and the arrival of Hide and Seek, a long-term exhibit of eight remarkable large scale works of fine art sculpture, the Garden has significantly elevated its presentation of ornamental horticulture. There is even more excitement to come, with a long-range Vision Plan that will reimagine the entire guest experience, including the creation of a 3.5-acre Children and Family Garden scheduled for completion in the coming years. There's never been a better time to join this dynamic team.
